# E92 SERIES

AVOCOR E 92 DATASHEET

92"

OVERVIEW

Enhance your workspace collaboration with the Avocor E 92, featuring a 92-inch ultra-wide display that delivers unparalleled visual clarity and interactive capacity. Designed to streamline complex setups, this interactive display replaces cumbersome dual-monitor configurations, offering a single, cohesive solution for various meeting scenarios.

Fully optimized for platforms like Microsoft Teams and Zoom, the E 92 facilitates a more connected and engaging 'front row' experience, bringing remote participants right into the meeting room. Its high-resolution and expansive aspect ratio ensure that all content and participants are visible, making meetings more productive and inclusive.

With comprehensive connectivity options including high-speed HDMI and USB-C, along with advanced touch technology, the E 92 seamlessly integrates into any IT infrastructure. Ideal for dynamic, hybrid work environments, the Avocor E 92 is a key tool for organizations looking to enhance interaction and streamline communication in today's digital landscape.

SOLUTION
Highlights

Experience an Ultra-wide canvas that delivers crystal-clear visuals for vibrant presentations and dynamic meetings.

Enjoy highly responsive, multi-user interaction utilizing the latest in IR touch technology. Enabling efficient collaboration during meetings and interactive learning sessions.

Ensure seamless integration with a wide range of devices through the E92's multiple connectivity options that enhance flexibility in how content is shared and displayed.

Featuring toughened glass for a durable, long-lasting display surface that withstand intensive daily use in high-traffic areas, ensuring reliability and reducing maintenance needs.

Stunning 5K resolution for crisp image detail and annotation accuracy

Fully compatible with your existing technology ecosystem to ensure your meetings run smoothly with full software integration, optimized for Microsoft Teams and Zoom.
