

Empowering Tomorrow's Learning, Today.

01 A Comprehensive Portfolio for Every Educational Need

- **Versatile Solutions for Every Space:** Interactive touch panels, ultra-wide displays, and non-touch options tailored to diverse learning environments.
- **Future-Proof Technology:** Designed to adapt to changing curriculum requirements and student needs, accelerating learning and understanding.
- **Trusted by Leading Institutions:** Proven success in schools, colleges, and universities world wide.

Global Presence, Local Support

02

- **Reliable, On-Time Delivery:** Leveraging AUO's global supply chain for fast, efficient access to the technology you need.
- **Localized Support:** Dedicated regional hubs ensure educational institutions get timely help and reduce tech downtime.
- **Commitment to Excellence:** Avocor's support reflects a global dedication to seamless learning experiences.

03 Strategic Partnerships to Enhance Learning Ecosystems

- **Seamless Integration:** Compatible with Microsoft Teams, Zoom, Google Meet, and more for frictionless classroom use.
- **Ease of Deployment:** Streamlined set-ups minimize IT workload and accelerate educator adoption.
- **Maximize Existing Investments:** Enhance your ROI with solutions that work with your current tech stack.

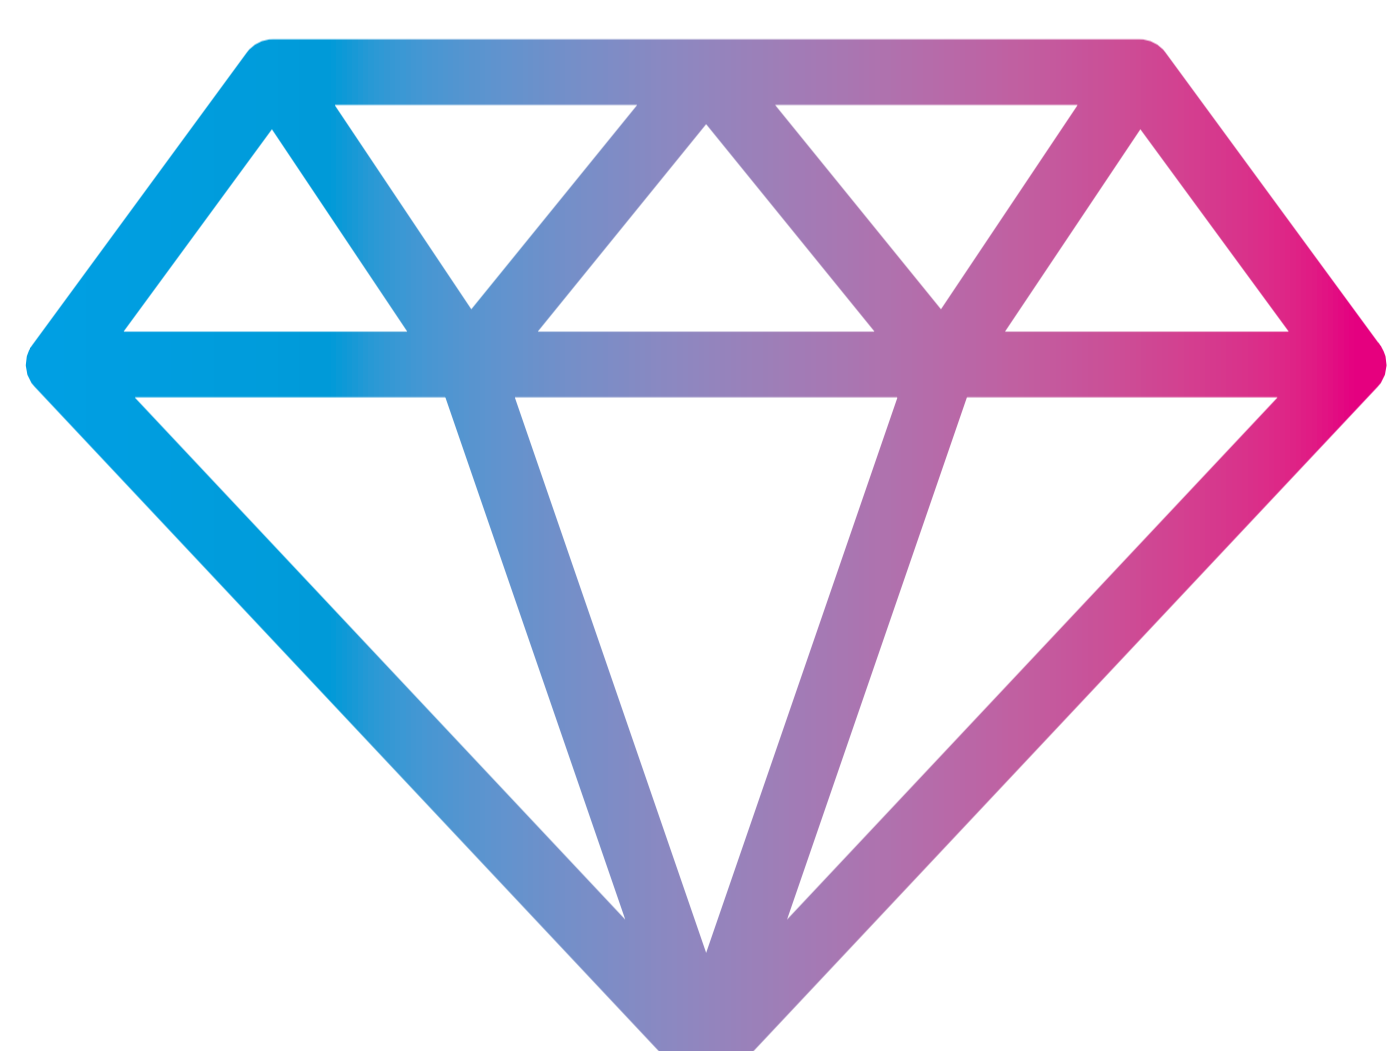

Innovation Backed by AUO's Expertise

04

- **Cutting-Edge Display Technology:** Leverage ultra-high resolution, AI enhancements, and energy efficiency backed by AUO's R&D.
- **Over 30,000 Patents:** Access the latest in display innovations to future-proof your educational technology.
- **Invest in Tomorrow's Classrooms:** Stay competitive with tech that evolves alongside educational standards.

05 Superior Quality and Cost Efficiency Through Vertical Integration

- **Optimized Costs, Superior Quality:** Vertical integration means unmatched control over quality and cost.
- **Total Cost of Ownership:** Reduce long-term expenses with competitively priced, durable solutions.
- **Flexible and Scalable:** Solutions designed to meet the dynamic needs of modern education.

Solutions Designed for Inclusive Learning Experiences

06

- **Empowering Hybrid Learning:** Create inclusive classrooms where every student's voice is heard, regardless of location.
- **Transformative Learning Spaces:** Engage students with technology that fosters active participation and collaboration.
- **Equitable Access for All:** Support diverse learning needs to create an inclusive and effective educational environment.

07 Dedicated Support for Continuous Success

- **End-to-End Support:** From deployment to ongoing maintenance, Avocor ensures continuous value.
- **Collaborative Approach:** Partnering with resellers for tailored solutions that fit your institution's unique needs.
- **Peace of Mind:** Expert support is just a call away, helping educators focus on what they do best: teaching.
